### **LNF Update for Parents**

Here is some further information to support the recent leaflet that was sent home **(including QR codes for handheld devices)**. It provides information, advice and sample materials that can be used to support your child.

#### **What is the Literacy and Numeracy Framework?**

*Some resources to help you support your children*

#### **The Interactive LNF – shortlink [goo.gl/T3WtLd](https://goo.gl/T3WtLd)**

You can use the interactive LNF on the Learning Wales website to understand what is required by the LNF in each age group.

#### **Reasoning in the classroom – shortlink [goo.gl/3bcrHY](https://goo.gl/3bcrHY)**

This is a teaching pack, but you might find it useful in supporting your children in preparation of the numerical reasoning tests.

#### **Numeracy sample materials – shortlink [goo.gl/tdNDSI](https://goo.gl/tdNDSI)**

At the bottom of this page you will find some sample questions and mark schemes for the **Procedural** and **Numerical Reasoning** tests. Try working through these questions with your children.

#### **Reading sample materials – shortlink [goo.gl/KA2Kt9](https://goo.gl/KA2Kt9)**

You can download sample reading test questions to use with your children in this link.

#### **What you say counts – shortlink [goo.gl/UuVcoi](https://goo.gl/UuVcoi)**

This online pdf document has lots of useful links for helping learners and their parents with mathematical skills.
